

Quotes

A Quote is something that someone has said. The name of the person (usually a famous person) is given after the quote. Sometimes the name of the person is forgotten, but the saying is good so it is remembered.

1. A person who never made a mistake is a person who never tried anything new.
Albert Einstein, (Scientist).
2. If you want to destroy your enemy, make him your friend.
Abraham Lincoln, (President of USA).
3. The secret of getting ahead is getting started.
Mark Twain, (American writer).
4. The bad news is that time flies. The good news is that you are the pilot.
Altschuler (Author and Motivational Speaker).
5. I kept a pet bird, it flew away. I kept a pet squirrel and it ran away. Then I planted a tree. Bird and squirrel came back.
Dr. Abul Kalam (President of India).
6. Wonder is the beginning of wisdom.
Socrates (Greek philosopher).
7. Education is the most powerful weapon which you can use to change the world.
Nelson Mandela (President of South Africa)

8. Everything has beauty, but not everyone sees it.

Confucius (ancient Chinese Philosopher).

9. We are shaped by our thoughts. We become what we think.

Buddha.

10. a) The strongest among you is the one who controls his anger.

b) There is no superiority of an Arab over a non-Arab, nor of a non-Arab over an Arab; of a white person over a black person, nor of a black person over a white person, except by piety.

Muhammad Mustafa (PBUH), Prophet of Islam.
